

## Directions to Ajoupa 6

From the Airport, take Highway ABC, which is initially called TOM ADAMS HIGHWAY. After going straight over five roundabouts, you will go straight over the roundabout housing the EMANCIPATION MONUMENT, at which point Highway ABC becomes the ERROL BROWN HIGHWAY. Go straight over another 3 roundabouts, until you approach the DARYL SCOTT ROUNDABOUT at Warrens, where you will see a CHEFETTE on your left-hand side. Take the second exit, leaving a SHELL GARAGE on your left, onto the GORDON CUMMINGS HIGHWAY, and head towards H1 (Highway One). Turn right onto H1 in the direction of HOLETOWN, and you will soon pass an ESSO GARAGE on your left. After you have been on H1 for two miles (with the beach on your left), you will see JORDAN'S SUPERMARKET on your right. The next three roads on your right are KENRIDGE ROAD, PIGGOT ROAD and BERBICE ROAD. Turn right into the next road, called BERBICE NO. 2 ROAD. Drive 150m until stopping in the parking spaces at the top of the road, outside the brightly coloured collection of AJOUPA VILLAS on your left.

Walk down the central path between the villas. You will find the yellow-coloured AJOUPA 6 in front of the swimming pool, facing the west coast.
